DESCRIPTION

Corum 5041 is a high molecular weight, branched chain ester. It has a long-lasting and lubricious skin feel. This typical feel is known as "cushion emollient". Corum 5041 helps to smooth and soften the skin. For hair care, it provides a glossy film and adds shine to hair. Furthermore, in lipsticks, it creates a high gloss film, which resists rubbing and reduces chap on application.

STORAGE

Protect from contacting with heat and moisture.

APPLICATIONS

It is suitable for make-up/ lipsticks, barrier creams, massage creams, bath oils and sunscreens.
